

"Making connections to employers has never been easier! With CareerShift, our students and alumni can easily organize multiple job search campaigns, track resumes, and organize their communications with employers, all in one stop. CareerShift has given a big boost to our job hunters and career changers, both in New Jersey and around the country ! Our users have raved about the functionality, value, and results that CareerShift offers."

Janet Jones  
Senior Associate Director  
Rutgers Career Services

"CareerShift is our go to resource for internship and job search requests. The contact database is equally amazing. I love showing students how to ferret out prospective opportunities via the contacts. These are difficult economic times and using CareerShift to highlight potentially thousands of jobs gives our students a sense of hope when what they hear in the news often leads to a feeling of hopelessness."

Mark McFadden  
Director, Career Development Center  
Alfred University
